Description

One of the finest Crocodile / Alligator skin covered jewellery boxes we have had in some time. A stunning piece of cognac coloured skin was used to cover this exceptional box, having a fabulous glossy patina. The box comes complete with a working key which is used to open the box and will lock automatically once closed, hence, the key should never be placed inside the box. The lid lifts to reveal the gold embossed makers mark for the London silversmith and fine goods store, Mappin and Webb on Oxford Street in London; the box dates to c.1900, late Victorian in era. The cantilevered trays all retain their soft original lining. A beautiful box perfect for either a lady or gentleman. 10" x 7" x 5 1/4".
