While some clocks may be running at the time of listing we cannot guarantee ongoing performance without a full inspection and testing period by our specialist horologist. Where inspection, testing, or servicing is required this process can take between 2-12 weeks depending on the clock, the work needed, and current workload. This careful approach helps ensure the clock is properly assessed rather than rushed. Clock Warranty: All clocks purchased from London City Antiques are supplied with a 12-month warranty from the date of purchase. This warranty covers mechanical faults and failures arising from norm...
