Description

Very decorative early 19th century Dutch marquetry elbow or carver armchair in solid mahogany, profusely inlaid with floral marquetry throughout the whole chair, including the back so if you are to use the chair as a freestanding occasional chair or as a desk / dressing table chair, it still looks fabulous from the rear. Very elegant form and I have left it with the current vintage olive green velvet stuff over seat. Comfortable chair but also a great piece of furniture to look at too! Good solid condition. Measuring: 32 3/4 inches or 83 cm high 22 1/2 inches or 57 cm wide 20 inches or 51 cm deep 18 inches 46 cm seat height 26 inches or 66 cm arm height 20 1/4 inches or 51.5 cm width between front of the scroll arms
