Description

A particularly attractive antique Victorian pine chest of drawers. The well proportioned Victorian pine chest has an arrangement of two short drawers above two long, graduating drawers, each with wooden knobs. Below the drawers sits a decorative shaped apron. Raised on turned feet. Item Ref; M-3985 . DIMENSIONS: Height – 91cm / Width – 97cm / Depth – 48.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, and staining to the surface top and drawer fronts (pictured). There is evidence of old historic woodworm in places - this is long gone and has been fully treated as a precaution. The Victorian pine chest remains structurally sound and has been finished with a fresh coat of natural wax. Overall, a rather lovely example with an undeniable charm. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
