Description

A large French rust coloured chandelier with 10 bulbs. This piece is decorated with pressed, shaped leaves. These decorate the top of the piece and then go into steel arms, supporting the rest. I think maybe originally it may have had a gold finish - if desired this could be reinstated. I think it looks great in its rustic state however, and makes a really good statement. (made by FERRO AHT). The Chandelier comes with 50 cm long chain. This piece has large screw bulbs. st 3030
