Description

A fine example of an early Victorian Chrystoleon painting on glass. A technique of painting on the back of the glass. The scene is of three maids having in conversation with one opening the window, whilst standing on a chair. The frame is quite special as it has been made with great detail and covered in plaster with a gilt finish. Measurements are 15 inches x 12 inches to include the frame overall. Condition is all round very good, but a tiny slither missing on the top left corner of the frame. TELEPHONE 07765 856171 TP RESERVE. HOURS 10 AM - 10 PM 7 DAYS A WEEK.
