Description

A wonderful early 20th century antique French washstand cupboard. The oak washstand has a heavy marble top with an upstand. The washstand base has a two door cupboard with a single shelf interior, with two fitted drawers above. The antique French washstand cupboard is raised on decorative turned front legs. The marble is particularly heavy but lifts off for ease of transport and movement. A rather lovely piece of furniture with an incredibly pleasing aesthetic. Item Ref; M-3978 . DIMENSIONS: Height – 106.5cm / Width – 115.5cm / Depth – 53cm / Surface Height - 86.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and staining to the marble top (pictured). There are no major cracks or losses to the marble. The base is structurally sound. There is evidence of old historic woodworm to the base in places - this is long gone and has been fully treated as a precaution. Overall, a good, attractive piece.
