Description

A wonderful antique Edwardian period revolving bookcase in mahogany. This was made in England, it dates from around 1900-1910. It is very well made, the mahogany top is beautifully cross banded with satin wood. There are eight lower shelf units, this is finished nicely on all sides and is designed to be free standing. It sits on a solid mahogany cross framed base with original porcelain casters. The main section swivels smoothly on the base. We have recently had this re-polished, it is in excellent condition for its age. Width – 18 inches , 46 cm Depth – 18 inches , 46 cm Height – 32 inches , 82 cm
