## Description

For your consideration is this very charming Art Deco table lighter by the Austrian designer Stephan Dakon. The figure depicts a dancer tip toeing in a typical 1920's /30's fashion of the day with her crimped bob haircut and pleated fanned out dress. The base and lighter are in chrome and there is some tarnishing to the chrome, otherwise very good condition. Inside the barrel beside her holds the striker (cigarette lighter) with its original wand. FREE UK mainland DELIVERY
