Description

An impressive 38 cm tall this original 1930's Art Deco cold painted spelter table lamp features a nude female holding aloft a milk white glass globe shade. Kneeling on an alabaster base she is in beautiful condition with hardly any visible wear to the body. She's totally original no over painting so often found nowadays. The detailing and craftsmanship is wonderful and at every angle either switched on or off she looks amazing. The milk glass white shade is original to the era but not to this lamp and is without damage. Some signs of age to the base but for it's 90 odd years to be expected. FREE UK MAINLAND DELIVERY
