Description

An attractive antique mahogany bureau. The antique mahogany bureau has a fall front that opens to reveal a brown leather writing surface with fitted interior, consisting of eight pigeon holes, four drawers and a central cupboard. The antique mahogany bureau has an arrangement of four long drawers, each with decorated brass swan neck handles. The bureau is raised on bracket feet. Item Ref; M-3975 . DIMENSIONS: Height – 106.5cm / Width – 95.5cm / Depth – 49cm / Surface Height - 78cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, splits and dents to the fall front, top and sides (pictured), and further scratches to the interior. There are also losses to the fall front beading in the top right corner (pictured). There is evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique mahogany bureau remains structurally solid and sound, with the drawers running well. Overall, a clean example.
