Description

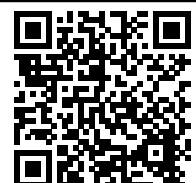

A great example of a 19th century mixed woods side table. The antique side table has a rectangular shaped top with a great veneer of mixed woods, raised on a concave quadraform base and octagon shaped pedestal. A beautiful antique side table, with plenty of a character. Item Ref; M-3870 . DIMENSIONS: Height – 78cm / Width – 58.5cm / Depth – 43cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the table top and base (pictured). There are also losses and patch repairs to the veneer at the base, and signs of shrinkage ([pictured]), however this doesn't affect the integrity of the piece. The antique side table remains structurally solid and sound. Overall, an aesthetically pleasing example of a 19th century table. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
