Description

A very stylish, comfortable and extremely well made pair of Swedish Art Deco period armchairs in satin birch. They were recently imported from Sweden, and date from the 1930's. The quality is outstanding, they are very well constructed with a wonderful design. The satin birch frames have a gorgeous colour and stunning grain patterns throughout. They have scalloped back rests and sit on beautifully tapered legs. We have had these fully stripped and re-polished to a very high standard, and they have been re-upholstered in a cream cotton fabric. The condition is superb throughout.
