Description

A late 17th or early 18th century antique carved oak mule chest. The oak mule chest has a well detailed, carved panelled front which features a drawer at the bottom. The carved oak mule chest opens to reveal a spacious interior which includes a candle box to the left side. It has further panelling to the sides and back which are plain and it is raised on stile feet. Item Ref; M-3937 . DIMENSIONS: Height - 75cm / Width - 123cm / Depth - 57cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and wearing down of the wood to the top, sides and feet but this chest remains structurally sound. The bottom drawer runs well. Main concern would be the back right leg which has worn away the most out of the other legs but this doesn't affect the overall integrity of the product whatsoever. The far right end of the drawer has a piece of wood chipped off, this isn't extremely noticeable and doesn't affect the integrity of the drawer or product whatsoever. This item shows signs of historic woodworm but is long gone and has since been treated as a precaution. Our carpenter insp...
