Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

A stunningly unique emerald and diamond cluster ring. The emerald cut emerald in the centre displays a bright, grassy green hue and is flanked on either side by a pair of icy white baguette cut diamonds. Eight round brilliant cut diamonds are claw set to the north and south of the emerald and lead to a slim white gold shank. The base of the shank is slightly squared off which not only looks distinctive and modern, but also stops the ring from spinning. Accompanied by an independent jewellery report from IGR (#30309968). Cut – Emerald cut emerald. The diamond are round brilliants and baguette cuts. Colour – The diamonds range from G to H. Clarity – The diamonds are VS1 to VS2. Carat – The emerald is approximately 0.45 carat, with a total approximate diamond weight of 0.78 carat. Size – O 1/2 (UK) or 7.25 (US). Complimentary sizing is available, can be sized up or down. Measurements – From the outer edge on one baguette cut diamond to the other is 13.7mm. The ring is 10.9mm at the widest point and sits 6mm from the finger. Metal – Stamped 750 – indicating 18k white gold – and tests as such.

Internal Ref: 27510S014
