Description

An attractive and impressive early 19th century antique Welsh oak two stage chest on chest. The top section has an arrangement of two short over three long graduating drawers, each with polished wooden knobs. The base has a pull-out writing surface above three long drawers, with the top drawer opening to reveal four pigeon holes and four small drawers. The antique Welsh oak chest on chest is raised on bracket feet. Separates into two sections at the midpoint for ease of transport and movement. Item Ref; M-2449 . DIMENSIONS: Height – 181.5cm / Width – 108cm / Depth – 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the drawer fronts, base and sides (pictured). There are also minor losses to the drawer corners and shrinkage and splits to the sides (pictured). There is also a repair on the top right corner, however this doesn't affect the integrity of the product. There is evidence of historic woodworm, which is now long gone and has since been fully treated as a precaution. The antique Welsh oak chest remains structurally solid and sound, with the drawe...
