Description

A high quality French gilt brass gorge cased carriage clock with bevelled glasses and a large viewing glass to the top. An excellent clean white enamel dial with Roman numerals signed "Dent of Paris" with alarm subsidiary dial below and finished with original finely blued steel "Breguet" style hands. The 8-day striking, repeating movement with an option of an alarm is finished with the original silvered Swiss lever platform escapement. The clock strikes the hours to a bell, with a single strike on the half-hour. The alarm works off the same bell with a separate hammer. A beautiful little clock of great quality. Serviced and guaranteed for 3 years. Height: 6" or 16cm (Handle up) CIRCA. 1870 Provenance: Private collection U.K. *This clock is delivered and set up for free within the UK. We regularly ship clocks all over the world with our approved and well-established Antiques and Fine Art Packers & Shippers. Please ask for a quote should you require this service.
