Description

A high quality French gilt brass gorge cased carriage clock with bevelled glasses and a large viewing glass to the top. An excellent clean white enamel. An excellent French polished gilt brass gorge cased carriage clock with bevelled glasses and handle over a large bevelled glass inspection panel, moulded cornice and uprights to a matching base. An excellent clean white enamel dial with Roman numerals and finished with original finely blued steel hands. The 8-day striking, repeating movement is finished with the original silvered Swiss lever platform escapement with compensated bi-metallic balance. The clock strikes the hours to a gong, with a single strike on the half-hour. A stunning clock of great quality. Serviced and guaranteed for 3 years. Height: 6 $\frac{3}{4}$ " or 17cm (Handle up) CIRCA. 1880 Provenance: Private collection U.K. *This clock is delivered and set up for free within the UK.
