Description

Gents 9ct gold Record wrist watch, 1960. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1960. The case is in good condition with just a short scratch to the side. The case back has a 1961 inscription. The winding crown is a later replacement. The lens is in good condition. The signed dial has a very small amount of marking but not too detrimental at all. Original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
