Description

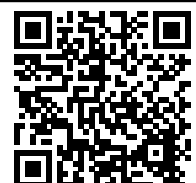

An appealing Victorian mahogany bow fronted chest of drawers. The antique mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with wooden knobs. The mahogany chest is raised on four bracket feet. Beautiful colour and grain throughout. Item Ref; M-4057 . DIMENSIONS: Height – 111cm / Width – 123.5cm / Depth – 62cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains throughout the chest including the front, sides and feet. There are also chips and dents to the edging of some of the drawers (pictured), and two large splits to either side (pictured), however this does not affect the integrity of the piece. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good clean example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
