Description

Very elegant and well presented Victorian ebonised and inlaid Credenza sideboard with original curved glass doors, brass mounts and porcelain panels. The condition is good throughout, showing some light signs of age and use to the top but really that is it and it's lovely to keep the original finish, also to have its original curved glass doors is great too. Beautifully inlaid with box wood and brass mounted, finished with the porcelain panels too. Great piece of furniture to use as a drinks cabinet and display glass etc either side, but also has an alternative to a console table with it being such a shallow depth. Any queries, don't hesitate to get in touch. Measuring: 42 1/2 inches or 108cm high 59 1/2 inches or 151 cm wide 15 1/4 inches or 39 cm deep
