Description

A superb and striking pair of Sheraton Revival mahogany and satinwood banded chairs, Circa 1900 in date. The high back chairs feature satinwood banding with boxwood and ebonised line inlay and wonderful foliate carved decoration. The square tops are supported by a pair of ionic columns which frame rails above criss-cross splats. The overstuffed golden upholstered seats are above satinwood banded seat rails and the chairs are raised on reeded tapering legs that terminate in decoratively carved spade feet. It is rare to find such a perfectly sculpted pair of chairs. Condition: In excellent condition having been cleaned, polished, and waxed in our workshops. Please see photos for confirmation.
