Description

A superb good sized English solid sterling silver miniature chair. It is hallmarked for Birmingham 1952 with the makers mark being that of A Marston & Co. It has superbly made being a miniature replica of the Royal coronation chair. It is in super condition being free from dings splits holes and repairs. It is larger than others I have seen measuring approx. 2.75 inches (7cms) tall by 1.5 inches (4cms) wide by 1 inch (2.5cms) front to back and weighs 38 grams. A very nice quality unusual piece.
