Description

Antique large fine quality mahogany extending twin pedestal extending dining table early 19th Century. The table has a lovely colour and stands on quality brass castors. The finishes are in good order, with minor historic knocks, marks and imperfections buried beneath generations of polish and wax to form a great patina. An attractive table that is solid, strong and has no loose joints. Would look amazing in the right location! Overall maximum dimensions: 200cmL (131cm without the leaf) x 122cmW x 73cmH x 64cm high knee hole. In very good antique condition with minor historic knocks, marks, repairs, alterations, wear and imperfections as you would expect with functional antique furniture. Some extinct woodworm holes in the non-mahogany timber supporting components on the underside of the tops. These have been treated for good measure. Stock No. 8203. 30-day, no-quibble, money-back guarantee. Competitive UK and overseas door to door shipping.
