Description

This is a beautiful antique Victorian sterling silver jam spoon and butter knife in their original case. The spoon is 5" (12.5 cms) long and the knife is 6 1/4" (16 cms) long and they have matching hallmarks for London 1899 with the silversmiths marks for George Maudsley Jackson & David Landsborough Fullerton. They weigh 60.6 grams / 1.6 troy oz the pair and are in excellent condition and look as though they've hardly been used. Particularly nice as they come in their original presentation case with the retailers mark for Beringer & Schwerer of Penzance & Redruth. This lovely set will come with a certificate of authenticity.
