Description

An impressive Victorian golden-oak tub armchair in the Gothic Revival manner; the bold curved and upholstered back rail mounted on an open work arcade of cusped Gothic arches with scrolled front supports. The deep stuff-over seat with splayed rear legs and octagonal columnar front legs; with conforming bases and capitols. Circa 1850 *the pale leather upholstery is perhaps about twenty years old and is in very sound condition although it would benefit from a more sympathetic cover. The price quoted includes re-upholstery and re-covering in a fabric at the customer's choice and cost. Max width 30" (76cm), width at seat 28 ¾" (60cm), max depth 26" (66cm) and 31" (79cm) high. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November....
