Description

A neatly proportioned antique pine chest of drawers. The antique pine chest has an arrangement of two short over two long drawers, each with wooden knobs. Raised on four turned feet. A rather pleasing antique pine chest of drawers, with plenty of charm. Finished with a fresh coat of natural wax. Item Ref; M-3909 . DIMENSIONS: Height - 89.5cm / Width - 90cm / Depth - 44cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the drawer fronts, sides and top (pictured). The wooden knobs are quite loose on some of the drawers, but still functional. There is also a split to the surface top (pictured), but this doesn't affect the integrity of the piece. There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a neat example.
