Description

A wonderful antique solid brass floor lamp sitting on a solid mahogany base. This was most likely made in England & is neoclassical style, dating from around the 1930's. It is beautifully made, with intricate details and a stunning design. This is a nice size, not too large and imposing. The condition is great, with only some very minor surface wear and a beautiful patina. We have had this re-wired, it is in good working order. This has also been paired with a lovely dark grey vintage shade that is included.
