## Description

Another Stunning piece of Art Deco Czech glass, black & gold enamel etched decorated cut glass bowl. It's amazing how some inanimate objects can bring such joy and I have to say this bowl does it for me, certainly one of our favourites. Beautiful shape, it's heavy, lovely condition, no scratching or oxidization to the paintwork and it's a really good size so offers functionality too. Can't sing the praises enough on this one, if you like glass or Deco, this one isn't to be missed. Offered with FREE UK mainland delivery.
