Description

An excellent antique walnut bookcase of lovely proportions. This was made in England, it dates from around the 1930's period. It is a very useful size, tall and slim, offering lots of storage space while taking up little floor space. The astral glazed top door opens to reveal four removable shelves, and there is additional storage space inside the lower cabinet. This has a gorgeous colour and beautiful walnut grain patterns. We have recently had this re-polished, the condition is excellent for its age. Width – 24 inches , 60 cm Depth – 15 inches , 38 cm Height – 65 inches , 165 cm
