Description

A beautiful original antique Victorian period cheval mirror in mahogany. This was made in England, it dates from around 1890-1900. It has a wonderfully elegant design and is of great quality. There is fine carving at the top of the supports, this sits on beautifully splayed legs with original porcelain casters. The mirror can be tilted and removed with a clever catch system, the mahogany back is nicely finished as well. We have recently had this re-polished, the condition is excellent for its age.
