Description

A stunning pair of Victorian carved and upholstered tub chairs. The antique chairs have a cream reupholstered seat, arms and backrest, with a beautifully carved central wooden splat. The antique chairs are raised on four wooden legs with castors. A rather luxurious pair of Victorian tub chairs. Item Ref; M-1367 . DIMENSIONS: Height – 73cm / Seat Height - 41cm / Width – 64.5cm / Depth – 71.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the back, legs and arms (pictured), but these are very minor flaws and are unnoticeable and don't affect the overall integrity of the chairs. There are very minor signs of historical woodworm, however this is now long gone and has been fully treated as a precaution. The antique chairs remain structurally solid and sound, with the castors running well. They have been newly reupholstered. Overall, a brilliant pair of Victorian upholstered tub chairs. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to loo...
