## Description

A very attractive 18th century antique bobbin turned chair. The antique chair has great charm throughout, with bobbin turned legs, supports and backrest. The antique chair has a stunning upholstered cream patterned seat with studded edging. A rather unique piece of seated furniture that would suit a range of interiors. Item Ref; M-1062 . DIMENSIONS: Height – 84cm / Seat Height - 51cm / Width – 51.5cm / Depth – 41cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the frame, but very minimal. Some of the turned supports on the backrest have minor losses (pictured). This item shows signs of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique chair remains structurally solid and sound, with good tight joints. Overall, a rather pleasing example of an 18th century chair. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report.

Internal Ref: M-1062
