Description

A great looking antique pine washstand with marble top. The antique pine washstand features a charming tiled back, with a small rectangular shaped mirror to the centre. The antique pine washstand has a marble surface top that sits above a single full width drawer. There is an under tier shelf that sits either side of a central cupboard, which opens to reveal a neat single shelf interior. The marble top can be lifted off for ease of transport and movement. A rather pleasing example of good proportions. Item Ref; M-3884 . DIMENSIONS: Height - 120cm / Surface Height - 73.5cm / Width - 91.5cm / Depth - 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents to the marble top (pictured) and the wooden legs and shelves (pictured). The mirror has signs of foxing (pictured). The antique pine washstand remains structurally solid and sound, with the drawer running well. Overall, a good, neat example.
