Description

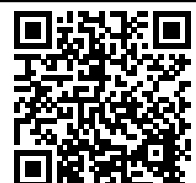

A beautifully designed and crafted Victorian antique carved oak buffet. The antique carved oak buffet has a top section with two wide drawers that is supported by four barley twists. The bottom section of the antique carved oak buffet has a two door cupboard, which opens to reveal a spacious interior consisting of one long shelf. This piece of furniture comes apart in three sections for ease of transport. Brilliant colour and detailed carvings throughout. Item Ref; M-4054 . DIMENSIONS: Top Surface Height – 109.5cm / Mid Surface Height - 56cm / Width – 136cm / Depth – 55cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents to both surfaces, sides and drawer fronts (pictured). The top surface also includes wood shrinkage (pictured) which doesn't affect the integrity of the product whatsoever. There are also signs of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique carved oak buffet remains structurally solid and sound, with the drawers running well. Overall, a brilliant Victorian antique buffet. Our car...
