Description

A rare George V solid silver mounted glass Jar, with patent automatic opening mechanism whereby the hinged handle lifts the lid of the jar, hallmarked Birmingham 1924 by highly sought after makers Hukin & Heath. Struck under the lid with the pattern number 18388 and on the interior with Patent No. 5518. In excellent condition, the silver having been professionally polished. Light rubbing to hallmarks. There is a small discreet chip to the glass to the rim at the base on the jar, only really noticeable under scrutiny.
