Description

A tall old pine partly glazed secretaire dating from the 1920s that separates into two sections for delivery. It has a cornice top, panelled sides, decorative carving and fluting down the left and right hand sides and sits on tapered block feet to the front and rear. The upper glazed section has two doors with a fully working lock and key which open to reveal two shelves inside. One shelf is half depth, we could replace with with a full depth shelf if required. The lower section has a drop down work surface and inside are seven drawers, three on either side and a slightly larger one in the middle below a cubby hole. The top two drawers both have fully working locks with keys, the other five have small wooden knob handles. At the bottom is a cupboard with a fully working lock and key and a single shelf inside. Originally painted and recently stripped, can be purchased in the bare wood for £890 or wax polished for £987. Height 81.5", Work Surface Height 30", Width 48", Depth 22"
