Description

An attractive Victorian antique mahogany chest of drawers. The antique mahogany chest has an arrangement of two short over three long graduating drawers, each fitted with decorative brass backplates and drop handles. The antique mahogany chest is raised on shaped bracket feet. Item Ref; M-4069 . DIMENSIONS: Height – 95.5cm / Width – 95cm / Depth – 52.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and minor dents to the drawer fronts and top (pictured). Both of the sides have shrinkage splits, however this doesn't affect the overall integrity of the product. The back has a newly added mdf panel. There are signs of historical woodworm, however this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part...
