Description

A charming Georgian antique mahogany chest of drawers. The antique mahogany chest of drawers has a rectangular shaped top with a moulded edge above an arrangement of two short over three long graduating drawers, each with decorative brass backplates and drop handles. Raised on bracket feet. Item Ref; M-4087 . DIMENSIONS: Height - 92cm / Width - 100.5cm / Depth - 52.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the top, sides and drawer fronts (pictured). There are repairs to be seen throughout the chest, including to the back at the top and the sides (pictured), however this doesn't affect the integrity of the product. There is very minor evidence of historical woodworm, this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example.
