Description

A typical early 1960'S beach scene, with ladies shading themselves from the strong sunshine behind their umbrellas. - The style chosen by the artist is a very colourful and loose abstract finish, after the original watercolour painting, being nicely bordered in off-white card and recently re-framed in a more stylish and modernistic gilt frame. - The early print would have been produced in various sizes, although this large version is rarer to find, and in smaller numbers. - Recently Re-Framed in a quality gilt frame with beading and fitted with glass to protect the print. - FRAMED MEASUREMENTS Width 45 Inches Height 29 Inches - Delivery £50 UK Mainland By Man & Van Due To Glass. - TELEPHONE ENQUIRIES: 07765 856171 - Our Ref 0310
