Description

Antique fine quality Victorian 19th Century C1880 burr walnut drop leaf work table. Two drawers to each side and a sewing compartment, all of which slide freely. Beautiful octagonal legs termination in period castors. No loose joints. Full of age, character and charm. Would look great in the right location! Overall maximum dimensions: 72cmW (38cm when closed) x 53cmD x 72cmH. In good antique condition, with historic knocks, marks, losses, imperfections, repairs and alterations. Historic repairs (all good and strong now) as is to be expected with period functional antique furniture. The drawers to one side appear later, possibly converted from dummies, so the fronts look exactly right. Typical historic repairs to the leaf supports (all good now).
