Description

Here we have a large and heavy early 19th century Regency period cut glass fruit bowl. Great shape and design with scalloped edge and "hobnail" type cutting. Multi faceted star cut base. The bowl is basically in good condition for its age but there are some very minor nibbles to the "zig-zag" top edge. Very useful piece of early glassware. Price includes UK postage and packing. SIZE; 11" diameter by 4" high CIRCA; 1810 - 1820
