Description

Pair of matching beds from a large French house in untouched original condition with bed slats. All the bolts are present and the frames are solid with lovely figured veneers to both ends. They are 112 cm in width which makes each a large single. The beds would push together to make a very large super king size width. The supports for the castors have some signs of old woodworm which has been fully treated and does not compromise any structural integrity. Internal base size L 185 w 112 cm.
