Description

A stunning pair of Edwardian natural Ceylon sapphire and old cut Diamond earrings set in 18ct yellow gold and platinum. **HALLMARKS** Hallmarked with the eagles head and also signed by makers mark but this stamp has lost its crisp detail. **MEASUREMENTS** Old cut diamonds; 2-3mm Diamond content approximately 1.50ct Natural cabochon sapphire; 12 x 9mm. These stones have individually been certificated as natural with no heat treatment. The earrings are accompanied by a gemological certificate. It is extremely rare to find sapphires of their quality and colour natural with no heat treatment. One sapphire does have a small surface nibble to it though minimally visible. Total drop length; 40mm Width of sapphire and diamond cluster 15mm Evenly matched, a stunning rare pair. Articulated from the 5th diamond down so allowing the diamond to twinkle away when worn. Lovely original secure backs accompanied, for pierced ears only. An investment piece. **WEIGHT** 9.5g **CONDITION** Superb condition. Not a reproduction.
