Description

A simple and authentic antique oak pedestal desk. The antique oak pedestal desk has a three plank rectangular top, which sits above an arrangement of eight drawers, each with decorative brass backplates and drop handles. The antique oak pedestal desk comes in three parts for ease of transport. A rather neat example, with good patina and colour throughout. Item Ref; M-4091 . DIMENSIONS: Height - 75cm / Width - 102.5cm / Depth - 52cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and shrinkage splits to the top and sides (pictured), further marks and scratches to the drawer fronts (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. Each pedestal has a few fill repairs (pictured), but this doesn't affect the integrity of the product. The antique oak pedestal desk remains structurally sound, with the drawers running well. Overall, a simple but functional antique desk. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready ...
