Description

Circa 1900-1920 A tall and very heavy bronze lamp in good condition. It may once have been a candlestick and converted to electricity many years ago, and we have had it professionally rewired to UK specifications. It measures 44cm in height to the top of the lampholder, 38cm from the base to the candle cup, and the base is approximately 13cm square. It weighs 1.9kgs. The lamp is a warm bronze colour and not brass as may appear in the images. Postage and packing is included in the price for the UK mainland and for remote areas or abroad please contact us for a delivery quote.
