Description

These two delightful small items are in fact salt pourers. Lovely design and most unusual. The fronts are clearly marked for Sheffield 1910 Henry Atkins, who registered the design No 555684. Small hole to front from which to pour the salt. Nice family crest to the front. They sit well on 3 ball feet and have a well worked fluted shape. L 8 cm W 5 cm H 5 cm (approx)
