Description

A beautiful huge German solid silver soup serving ladle. It is hallmarked with the German crescent moon and crown mark, the 800 standard mark and the makers mark of Gebruder Koberlin who founded in Döbeln in 1828, I would date this piece to c1920-1930s. It has been stylish art deco designed and the whole piece is in superb condition being free from dings splits distortions and repairs. It measures approx. 13.5 inches (34.2cms) long by 3.25 inches (8.5cms) wide and it weighs 186 grams. A very well made example.
