Description

Early Georgian Oak Country Dresser plate rack. Perfect accomplice to a dresser base. We bring to you this excellent condition original early Georgian George III (circa 1800) Oak plate rack. This very simple open 3 descending shelf plate rack features a scrolled fretwork design below its top moulded cornice and features scratch moulded shelves complete with plate grooves. This plate rack would suit many oak dresser bases or could be converted to be a freestanding wall shelf by simply removing the support feet and adding extra wall mounting brackets (we can do this pre delivery if required). This rack has a lovely Georgian deep Oak colour with lots of patina and its original waxed finish. We have sympathetically restored this item maintaining original patina by carefully waxing it to preserve the finish and give it a lovely natural sheen. Dimensions Height: 1160mm Width: 1365mm Depth of cornice: 155mm Depth of support feet: 290mm Delivery *Private insured courier normally £60 for this item, enquire for accurate quote*
