Description

This baluster shaped table lamp is a fabulous combination of cobalt blue porcelain and ormolu decoration. Dating from the early 20th century, the lamp stands on a stepped base with cantered corners and has further ormolu embellishment to the neck. The condition of this antique table lamp is very good, it has been professionally rewired with dull gold woven flex to comply with the UK mains system and PAT tested. The shade is not included. Agelessly elegant. c. 1920 Height to top of fitting: 17.5" 44.5 cm Width at widest part: 6" 15 cm
